EVERY SPORT STARTS HERE.

Gymnastics AND every other sport. Seven pathways, one connected system: a prospectus for your club and a blueprint for the sport.

Pre-School | Schools | Recreational | General League | Performance League | University League | Masters

#ITSALLCONNECTED

Exclusively for British Gymnastics Clubs

WELCOME

Gymnastics is the sport that powers all sports.

It builds the strength, balance, coordination, confidence and resilience every child needs, on the pitch, on the stage and in life.

Most gymnasts train under two hours a week, and almost all train under ten. Families have more choice than ever, and they shouldn't have to pick gymnastics *or* another sport. Our job isn't to compete for their time. It's to make it gymnastics **AND**.

To do that we have to change the story: make the sport more engaging and exciting, and speak to young sportsmen and women in the language they already know: league tables, Profile Cards, challenges and competitions.

So this is a prospectus, but it's also a blueprint. If clubs behave more like businesses, share what works, buy together and all do the same thing well, the whole sport gets stronger. It started at SAADI Gymnastics in Hertfordshire; today any British Gymnastics club can join. Registering is free.

"Not gymnastics OR. Gymnastics AND."

The foundation that powers all sports and life skills.

WHO WE ARE

A national framework, run by a gymnastics club, for gymnastics clubs.

The National Gymnastics League (NGL) gives British Gymnastics clubs connected awards schemes, lesson plans, competitions, judging and apps across seven pathways, from three-year-olds to adults. We are coaches and club owners first, so everything we build has been tested on a real gym floor before it reaches yours.

7
pathways, ages 3 to adult

29
clubs in the 2027 General League, across 4 locations

2×
the 2027 season is twice the size of our first in 2026

1st
NGL National Finals, 22 November 2026

5+
years testing Pre-School & Recreational in a BG club

£0
to register your club and explore everything

NGL is...
Independent. Exclusively for British Gymnastics clubs. Built to complement the BG journey and help clubs grow as businesses.

NGL isn't...
A governing body, a membership, or booking and billing software. We are about how your club runs, coaches and inspires.

OUR BELIEF

~~NOT GYMNASTICS OR.~~ GYMNASTICS AND.

Families have more choice than ever. Children want to play football, swim, dance, act and try everything. Parents shouldn't have to choose between gymnastics and another sport, and clubs shouldn't compete for a child's time. Gymnastics should be the foundation that makes them better at all of it.

GYMNASTICS AND FOOTBALL · AND RUGBY · AND DANCE · AND SWIMMING · AND TENNIS · AND ATHLETICS · AND LIFE

HOW MUCH GYMNASTS REALLY TRAIN

Proportions are illustrative.

Almost every gymnast trains up to 10 hours a week. Those who go beyond that usually make gymnastics their only sport. So that's who NGL is built for: everything we do works for a child training up to 10 hours a week, alongside everything else in their life.

THE FOUNDATION THAT POWERS ALL SPORTS AND LIFE SKILLS

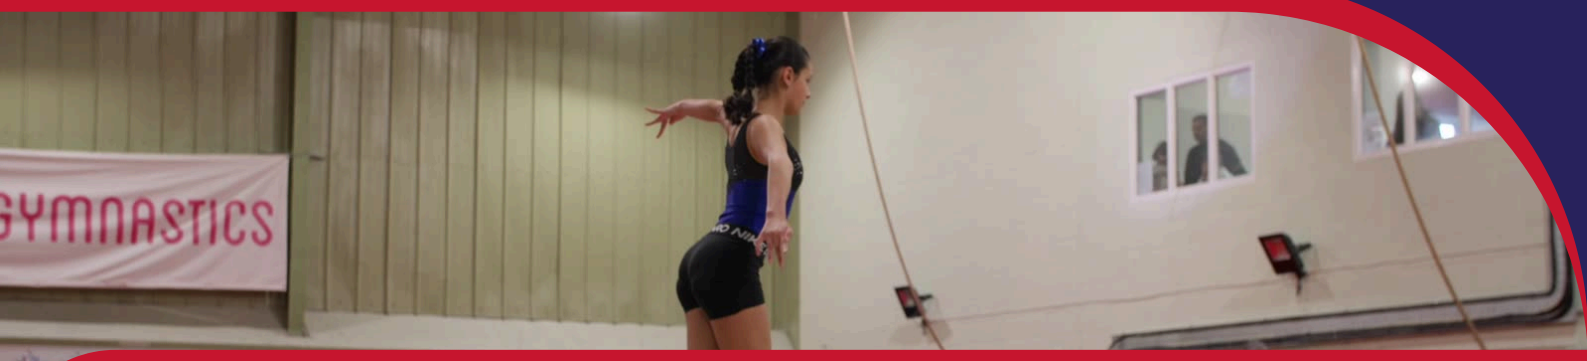

STRENGTH · BALANCE · AGILITY · CONFIDENCE · RESILIENCE · FOCUS

Every sport starts here.

Our mission: make British Gymnastics clubs the first choice for gymnasts and parents.

We don't replace the British Gymnastics pathway. We fill the gaps around it, so more children start, stay and thrive in BG clubs.

THE GAP	OUR ANSWER
Most gymnasts train under 2 hours a week and almost all under 10, yet the sport is built around the few who train more.	Competitions, awards and skills books built for gymnasts training up to 10 hours a week.
Parents can't see what their child is learning or how they're progressing.	Award books, family apps, live scores and league tables that keep families involved.
Clubs juggle lesson plans, awards, rotations and competitions in separate places.	One connected system: what's taught links to what's tested, which links to what's competed.
Families are asked to choose: gymnastics or football, rugby, dance or drama.	Gymnastics AND: the foundation that makes children better at every sport they play.
Competitions for children training up to 10 hours are few and far between, and rarely feel like the premium sporting experience parents expect.	A best-in-class competition environment: more accurate scoring and judging, technology like Elevien, quality medals and a slick, well-run day. The experience once kept for the few, now for everyone.

SPEAK THEIR LANGUAGE

Make gymnastics as exciting as the sports they already love.

Young sportsmen and women grow up with league tables, player ratings, challenges and match days. We use the same language, so gymnastics feels like a sport they can play, compare and win at, every week.

PROFILE CARDS & PROGRESS

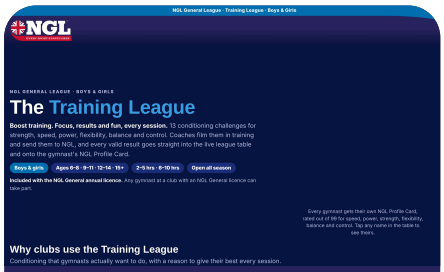

Every gymnast gets their own NGL Profile Card, rated out of 99 for speed, power, strength, flexibility, balance and control, just like the cards in the games they play. Their hub tracks every score across the season.

LEAGUE TABLES

Live national tables against peers of the same age and training hours.

CHALLENGES

13 Training League challenges, filmed in training. Beat your best and climb the table.

COMPETITIONS

A real season: match days, live scores, qualifiers and a National Finals.

Boys and girls, side by side. Card and graph shown with demo data from the NGL General League Hub.

SEVEN PATHWAYS

A place for every gymnast, from first forward roll to Masters.

Each pathway has its own colour, programme and finish line. Start with one, add others when you're ready: every pathway runs on the same club account.

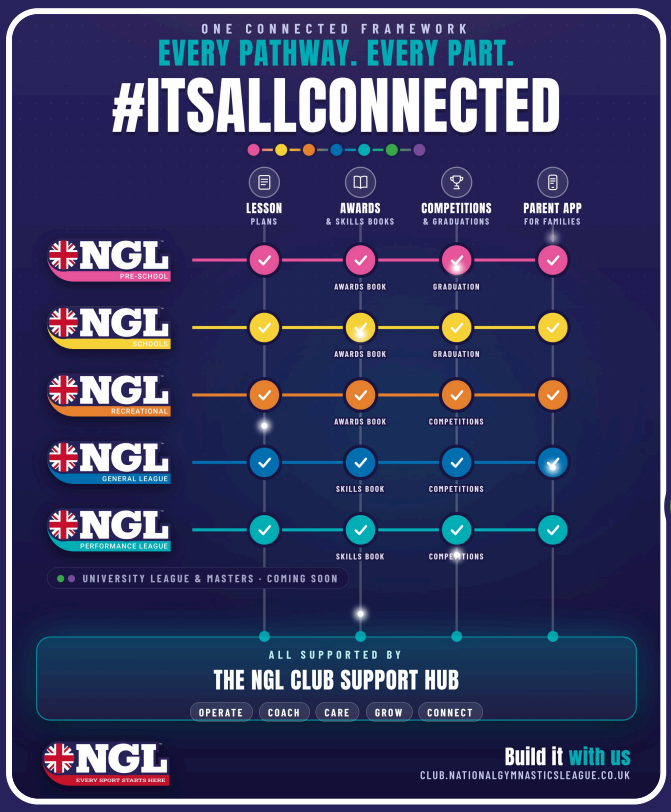

PATHWAY	WHO IT'S FOR	PROGRAMME	STATUS
PRE-SCHOOL Somi & Flic	**Ages 3–4.** First movement skills and confidence.	Passport awards, themed lesson plans → Graduation	April 2027
SCHOOLS In local schools	**Ages 5–11.** Your coaches deliver in local primary schools.	6-level awards book → Graduation at your club	Live now
RECREATIONAL Club classes	**Ages 4–18.** Weekly recreational classes in your gym.	4 awards books, lesson plans → Competitions	January 2027
GENERAL LEAGUE Boys & girls	**Up to 10 hours a week.** Club gymnasts ready to compete.	Skills books → League & National Finals	Comps live now Skills books April 2027
PERFORMANCE LEAGUE Competitive squads	**10+ hours a week.** Extra preparation alongside BG events.	Skills books → Preparation competitions	Coming 2027
UNIVERSITY LEAGUE Students	**Students.** Keeping gymnasts in the sport through university.	Student competitions	Coming soon
MASTERS Adults	**Adults.** Returners, late starters and those staying active.	Adult gymnastics & competitions	Coming soon

Any British Gymnastics club can enter NGL competitions. No licence needed: licences are only for delivering the NGL Awards and skills programmes.

#ITSALLCONNECTED

Every pathway, and every part of your club. What a child is taught is what they're tested on, which is what they perform at competition, and it all runs through the same club account, the same apps and the same support.

EVERY PATHWAY

EVERY PART OF YOUR CLUB

One account
Licences, orders, competition places and floor music in one Club Hub.

One language
Shared levels, colours and books, so coaches, gymnasts and parents all follow the same journey.

One network
Judges, partners and group buying behind every club, not just the biggest.

ONE TERM, CONNECTED

Taught in lesson plans	Checked in the awards book	Assessed at end of term	Performed at competition	Followed in the family app

PATHWAY 1 · AGES 3–4

PRE-SCHOOL

Around the World with Somi & Flic

Little gymnasts travel the world with our two dragon mascots, collecting a new country medal for every level they pass.

Launches April 2027

What your club gets

- **40 themed lesson plans** with equipment, set-up and rotations
- **Stickers, stamps and medals** to celebrate every step
- **A parent app** showing this week's theme and skills
- **20 levels** across two passports, each a new country
- **A social post every week** and the A1 Around the World poster
- **A Graduation** then on to Schools or Recreational

Example lesson plans

Week 2 · Space, plus Pirates and Christmas

Weekly social post

Two-page plan: warm-up, sticker skills and four apparatus stations

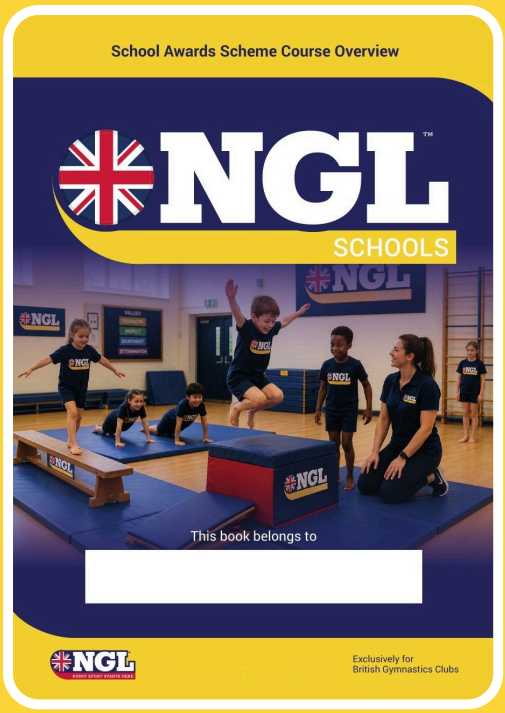

More themes

2 skills from each level every week

2 stickers for every child, every week

4 weeks to pass a level and earn a medal

5+ years tested in a BG club

PATHWAY 2 · AGES 5–11

SCHOOLS

Make your club the gymnastics hub of your local community.

A complete, ready-to-deliver programme your coaches take into local primary schools. You own the school relationships, deliver the coaching and keep the income.

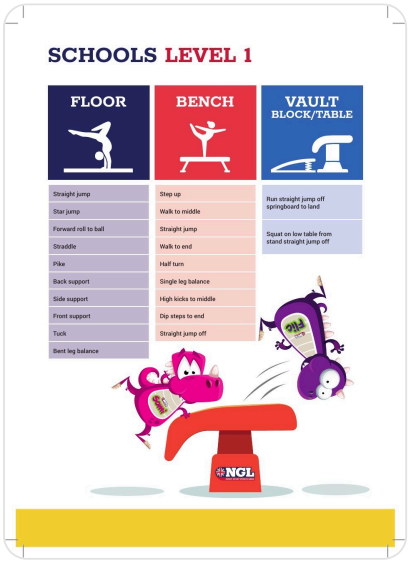

Live now

How it works

1
Tell us how many
Add each school and its number of gymnasts. No names or pupil details needed.

2
Get your club code
One code for all your Schools families, to use in the Schools family app.

3
Families join in
Parents watch the routines at home and follow the programme with their child.

- **Six progressive levels** across Floor, Bench and Vault
- **Awards book** for every gymnast, plus Bronze, Silver and Gold certificates
- **Routine videos** and the Schools Hub to manage schools and orders
- **A Graduation** at your club with an exclusive NGL Schools Medal

From school hall to your club

Graduation brings school families through your doors. Families pay £10, your club keeps £5 per graduate, and children move straight on to your recreational classes.

PATHWAY 3 · AGES 4–18

RECREATIONAL

Taught. Tested. Competed. All connected.

The NGL Recreational Awards Scheme turns weekly classes into a clear journey, with optional competitions for children who want to compete for the first time.

Launches January 2027 · licences open now

Four books. Sixteen levels. One level a term.

RUBY
Book 1 · Beginner

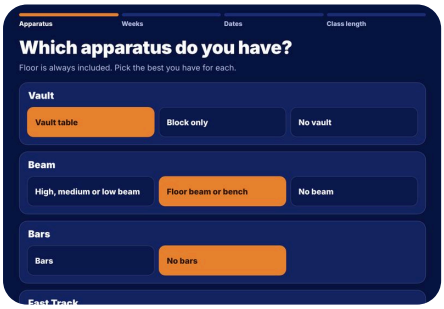

PINK
Book 2 · Development

TEAL
Book 3 · Proficient

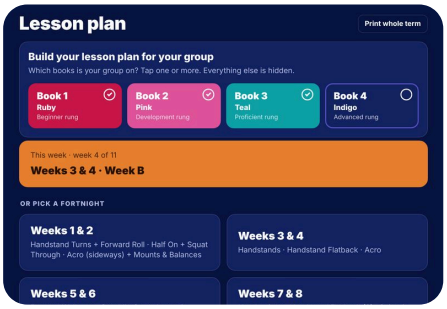

INDIGO
Book 4 · Advanced

Each book matches one of the four NGL Recreational Competition levels. Gymnasts are assessed in the last two weeks of every term and earn a medal for each level passed.

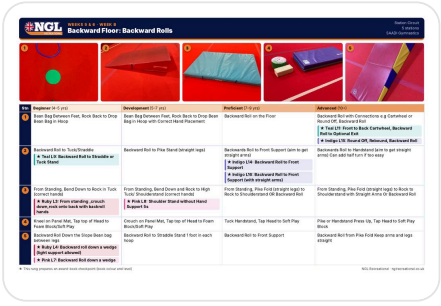

Lesson plans built around your gym

1. Tell us your kit. Missing bars? We adapt the plan.

2. Coaches pick the week. Live plans in the NGL Recreational App.

3. Or print it. Every station, with equipment and progressions.

Competitions made for first-timers

Positive 10.0 scoring, 2-piece or 4-piece, and every gymnast receives a medal. Competing is always optional.

Families stay in the loop

A family app shows what their child is learning this week, plus masterclass videos for every skill. No children's details stored.

PATHWAY 4 · UP TO 10 HOURS A WEEK

GENERAL LEAGUE

Compete local. Score national.

A national league for the club gymnasts who were being missed. WAG Levels 1–4 and MAG Levels 1–4, with a real season, a league table and a National Finals.

Competitions live now | **Skills books April 2027**

Live scoring
Scores on screen in the hall and on parents' phones.

Remote judging
The same remote judges score the same piece nationwide, powered by Elevien.

National League Table
See how gymnasts compare with peers across the country.

National Finals
Qualify to represent your region on the national stage.

Gymnast videos
Routines filmed on the day for families to keep.

Built for low hours
WAG Level 1 is only for gymnasts training 2–5 hours a week.

2027 season: 29 clubs across 4 locations, twice the size of 2026 and almost fully booked. Boys' places are still available.

THE NGL TRAINING LEAGUE

13 conditioning challenges filmed in training, for boys and girls. Every result lands in a live league table and on the gymnast's own NGL Profile Card. Included with the General League licence.

Gymnastics AND... Up to 10 hours a week means gymnasts can compete in gymnastics and still play football, rugby or anything else, in a format with league tables and Profile Cards they already love.

PATHWAY 5 · 10+ HOURS A WEEK

PERFORMANCE LEAGUE

More chances to compete. Better prepared for BG events.

For squads already on the British Gymnastics pathway: WAG NDP Grades, Classic Challenge and the MAG grades. We add preparation competitions built on those rules, and options for gymnasts who find the standard or the age rules a barrier.

WAG: Grades and Classic Challenge preparation competitions
MAG: challenging levels with relaxed age regulations
Skills books aligned to every level

Coming 2027 · register interest now

PATHWAY 6

UNIVERSITY LEAGUE

Keeping gymnasts in the sport through university and into adult life, with a league of their own.

Coming soon

PATHWAY 7

MASTERS

Adult gymnastics for returners, late starters and anyone who wants to stay active through the sport.

Coming soon

A gymnast for life. With all seven pathways in one place, nobody has to leave your club because they've outgrown what you offer.

COMPETITION DAY

A national-standard event, without the national-standard workload.

NGL brings

- ✓ Competition Manager and scorer
- ✓ Camera operators and gymnast videos
- ✓ Live scoring and the spectator app
- ✓ Two paid remote judges
- ✓ Results, league table and qualifiers

Attending clubs bring

- ✓ Gymnasts and coaches
- ✓ Judges for the remaining pieces
- ✓ Floor music, uploaded in the Club Hub
- ✓ Host clubs add an announcer, awards presenters and runners

Booking a place: simple and risk-free

1 · Reserve

Reserve places in the Club Hub. No payment and no commitment.

2 · Confirm

We send a private JustGo link up to 5 months before the event.

3 · Secure

Pay 3 months before. Unbought places go to the waiting list.

Open to every British Gymnastics club. You don't need an NGL licence to compete; competition entry fees apply.

THE APPS

Two hubs. Everything in one place.

FOR CLUBS

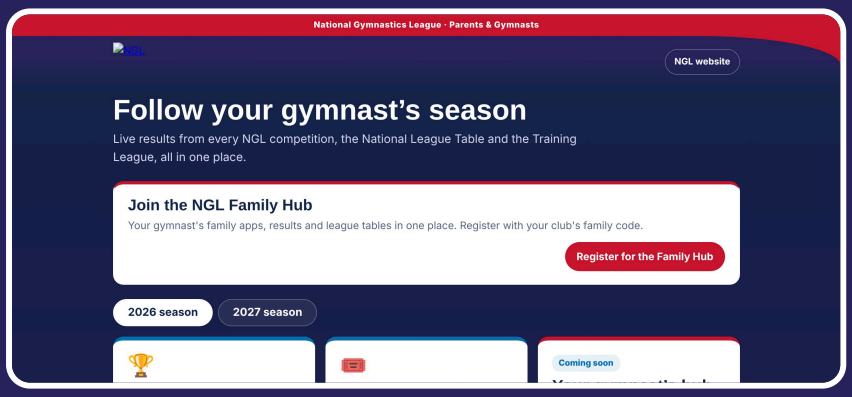

NGL Club Hub

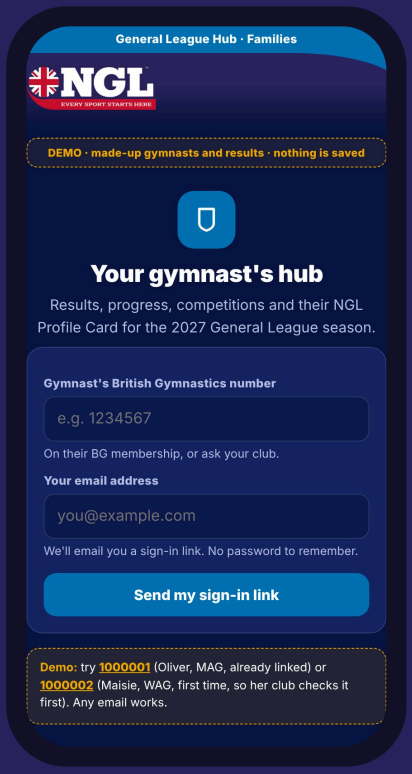

Your club's front door to NGL: licences, orders, competition reservations, floor music uploads, the calendar and partner offers, with each pathway's own hub one click away.

FOR FAMILIES

NGL Family Hub

Results, league tables and every pathway's family app in one place. Families unlock it with your club's code, so they see what their child is learning and how they're getting on.

Free the moment you register

- ✓ Samples of every 2027 awards programme
- ✓ A free competition planner
- ✓ Partner deals in Club Support
- ✓ Booking for 2027 competitions
- ✓ The free Class Rotation Planner
- ✓ Instant access, no approval wait

NGL JUDGING PATHWAY

From first shadow to paid judging.

A free national pathway that gives judges and young coaches real competition experience alongside their British Gymnastics qualifications, for more consistent judging everywhere. Register your club's judges and young judges.

STEP 1

Apprentice Judge

No experience needed. Shadow and shadow-mark real competitions alongside experienced judges.

STEP 2

Club Judge

BG club-qualified. Book and judge Recreational and selected NGL competitions.

STEP 3

Senior Judge

BG Regional qualification or above. Main-judge, and take paid remote judging from home.

We pay all our remote judges: £50 per competition

Practise any time with our strategic partner's training tool, Elevien Academy. Two remote judges score every NGL competition in 2027.

Why it matters

Consistent, national scoring. Where remote judges are present, the same remote judges score the same piece at competitions across the country, so gymnasts see how they really compare.

Real experience. Judges build confidence and opportunities alongside their British Gymnastics qualifications.

A future for young coaches. A clear route from first shadow to paid work in the sport.

Free to join Register your club's judges and young judges through the NGL Judging Pathway and they can book onto competitions straight away.

A BLUEPRINT FOR INDUSTRY CHANGE

Clubs that run like businesses. A sport that works together.

Most clubs build everything alone: their own awards, their own plans, their own suppliers, and their own mistakes. If we all do the same thing, the same way, we all get better, faster and for less.

FROM		TO
Every club writing its own programme	→	**One tested programme across seven pathways**
Buying alone, at small-order prices	→	**Group purchasing power across the network**
Know-how locked inside one gym	→	**Shared knowledge, partners and best practice**
Competing with other sports for a child's time	→	**Gymnastics AND every other sport**
A sport that speaks only to gymnasts	→	**League tables, Profile Cards and challenges every young athlete gets**
Clubs run on goodwill and hope	→	**Clubs run as sustainable businesses**

DO THE SAME THING

Shared programmes, levels and language, so a gymnast's journey makes sense in any NGL club.

BUY TOGETHER

Books, medals, kit and services bought at network scale, with the saving passed back to clubs.

SHARE WHAT WORKS

Partners, tools and experience pooled across clubs, so nobody solves the same problem alone.

Why it matters: sustainable clubs can pay and keep great coaches, invest in equipment, keep fees fair and give every child a better experience.

NGL CLUB SUPPORT

Stronger together: one network, five pillars.

Every club faces the same challenges, but very few get to solve them together. NGL pools the experience and buying power of the whole network, so coaching expertise, IT systems, HR advice, kit and awards cost less time and money than sourcing them alone.

OPERATE BETTER
Strong foundations that reduce pressure and risk

COACH BETTER
Our coaches are our business

CARE BETTER
People first. Always.

GROW BETTER
Sustainable, future-ready clubs

CONNECT BETTER
Clubs learning from each other

GROUP PURCHASING

Buy like a network, not a single club.

Awards books, medals, certificates and NGL t-shirts are already produced at network scale and sold to clubs at prices that leave room for your margin. The more clubs that join, the further our buying power goes.

PARTNER OFFERS IN THE CLUB HUB

Including free HR benchmarking, 12 months' free Working With Parents in Sport membership for your families, and £50 off Elevate coaching courses.

- JustGo
- Matt Jackson Consultancy
- Elevate Volunteering
- Growth Club
- Impact HR
- Working With Parents in Sport
- Elevien

Growing the network

We're looking for trusted partners so every club can access:

+ Legal support
+ Branded clothing
+ Medals and awards
+ Accounting advice
+ Social media support

Partner offers may change. Log in to the NGL Club Hub to see every current offer.

YOUR INVESTMENT

Low outlay. Maximum added value.

Registering is free and competitions need no licence. To deliver an NGL Awards programme, your club takes out a yearly Club Licence for that pathway, priced by the number of gymnasts in it.

Club Licence, per pathway, per year

Gymnasts	Schools & Pre-School	Recreational
1–24	£150	£200
25–49	£250	£300
50–99	£400	£500
100–249	£750*	£1,000
250–399	£1,000	£1,250
400–599	£1,250	£1,500
600+	£1,500	£2,000

All licence fees + VAT. *Pre-School tops out at £750 for 100+ gymnasts.

General & Performance League: tiered Club Licence from £200 + VAT a year.

5% multi-pathway discount on every licence except your most expensive.

Everyone doubles their money

Buy books and medals from NGL and sell them on to your families.

INDICATIVE PRICING

AWARDS BOOK	MEDAL
£4 → £8	£2.50 → £5

WORKED EXAMPLE · INDICATIVE

A club with 80 Recreational gymnasts

Medals: 3 a year × 80 × £2.50	£600
Books: about 60 a year × £4	£240
Margin back to your club	£840
Club Licence (50–99) incl. VAT	£600

Licence paid for, with money to spare.

No per-child admin. Choose your band, confirm your numbers once a year. No gymnast names held for licensing.

Order in one place. Books, medals, certificates and t-shirts through your Club Hub.

Start with one. Each pathway licence is separate, so add more when you're ready.

Prices at October 2026 and subject to change. Licence fees + VAT; books, medals and t-shirts carry no VAT. Book and medal prices are indicative. Worked example uses those prices, three medals a year per gymnast and a new book every four terms; your figures will vary.

READY WHEN YOU ARE

JOIN IN THREE STEPS.

1. **Register your club, free**
   Create your NGL Club Hub account in minutes, with instant access.

2. **Explore and reserve**
   Try the 2027 programme samples and the free planners, and reserve competition places.

3. **Start the pathways that suit you**
   Add a Club Licence for any pathway when you're ready.
